The Capsule-Friendly Quiz

10 questions to ask before every purchase

So you've selected a piece at the store. Every feeling you have is telling you to swipe that credit card and take it home. And it's even within your price range!

But should you buy it? Run through these 10 crucial questions before you make a decision.

1. Can I think of at least 5 occasions in the near future during which I can wear this?
2. Is this piece durable and high quality?
3. Can I wear this during multiple seasons?
4. Does this go with other items in my wardrobe?
5. Is there anything I have to change about this piece before I start wearing it?
6. What is the social impact of my purchase? Are garment workers better or worse off because they made this piece?
7. What is the care requirement for this piece? Does it need dry cleaning or hand washing?
8. Do I have to buy anything else in order to start wearing this?
9. How long do I expect this piece to last?
10. What would I do with the money if I didn't buy this piece?
